

**REISSUE APPLICATION DECLARATION AND
POWER OF ATTORNEY BY INVENTOR AND ASSIGNEE**

I am the below-named inventor and am also the assignee of the above-referenced patent, and I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name, I believe I am the original, first and sole inventor of the subject matter that is described and claimed in Letters Patent No. 5,975,162, granted on November 2, 1999, and for which a reissue patent is sought on the invention entitled LIQUID DELIVERY VEHICLE WITH REMOTE CONTROL SYSTEM; and I further declare that I am the assignee of the entire right, title and interest to said patent. The specification of the patent is attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended.

I acknowledge the duty to disclose information that is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56, and in compliance with this duty, there is attached an Information Disclosure Statement in accordance with 37 C.F.R. § 1.98.

I further declare that I believe the original patent to be partly inoperative or invalid by reason of 37 C.F.R. § 1.175(a)(1), the patentee claiming less than the patentee had a right to claim in the patent.

At least one error upon which reissue is based is described as follows:

A Department of Transportation (DOT) rule (49 C.F.R. §171.5, correctly identified in the specification of the patent but incorrectly identified as 49 C.F.R. §1.71.5 in the Information Disclosure Statement) was mentioned in the original Information Disclosure Statement for the patent as possible prior art. The claims in the patent were drafted accordingly. Actually, this DOT rule was published on August 18, 1997, and thus before April 2, 1998, the filing date of the application, but after reduction to practice of the invention and disclosure thereof at a trade show on April 3, 1997. Therefore, the DOT rule is not prior art to this invention, and the claims could have been drafted more

broadly. Therefore, the inventor claimed less than he had a right to claim in the patent. An interim final rule for 49 CFR § 171 was published February 19, 1997, and is cited as prior art in the Information Disclosure Statement.

The errors corrected in this reissue declaration arose without any deceptive intention on the part of the applicant/assignee.

I hereby appoint the following practitioners to prosecute the application and transact all business in the Patent and Trademark Office connected therewith:

C. Clark Dougherty, Jr., Registration No. 24,208;
